SUMMARY

Operations-oriented BD Lead combining pipeline management, CRM optimization, and workflow automation to boost conversion efficiency. Experienced in team management, KPI design, and bridging sales strategy with execution.

WORK EXPERIENCE

Business Development Lead · AHA Commerce

Jul 2023 – Present | Jakarta, Indonesia (Remote-eligible)

- Spearheaded end-to-end BD Team strategy across Shopee, TikTok Shop, Tokopedia — sourcing, qualifying, and converting brand partners to drive sustainable GMV and revenue growth.
- Optimized the BD acquisition funnel from outreach to close — improved lead-to-conversion rate by 30% through structured pipeline reviews and data-driven qualification frameworks.
- Designed and deployed AI-powered outreach automation that reduced manual prospecting time by 150% and scaled pipeline capacity without headcount increase.
- Utilized WebApp-based performance dashboards and delivered weekly executive reports — translating funnel data into actionable insights for C-suite decision-making.
- Led, mentored, and performance-managed a BD team of 8 — set individual KPIs, ran weekly 1-on-1s, and built a results-oriented culture that reduced churn and improved quota attainment.
- Partnered cross-functionally with Operations, Marketing, and Product teams to ensure seamless onboarding of new brand partners and consistent delivery of SLA commitments.
- Identified and captured high-potential market opportunities through systematic competitive analysis and trend monitoring — presented strategic recommendations to senior leadership.

Operations Manager · Darmawangsa Karate Club

May 2021 – Present | Bekasi, Indonesia

- Managed annual operating budget — tracked P&L, monitored KPIs, and ensured financial targets were met while improving operational cost efficiency.
- Developed revenue-generating initiatives (memberships, events, sponsorships) — identified cost-reduction opportunities and executed growth plans independently.
- Prepared detailed financial and performance reports to guide strategic planning and long-term decision-making.
